

REMARKS

Claims 20-34, 36 and 37 are pending in this application. Claim 35 has been canceled and its limitations have been incorporated in amended independent claim 32. Claim 36 has been amended to correct the claim dependency. Independent claim 32 has been amended to incorporate all limitations of canceled claim 35. No new matter has been introduced. The title of the invention has been amended to more clearly describe the subject matter of the claimed invention. Applicants acknowledge with appreciation the allowance of claims 20-31.

In the Office Action dated June 30, 2005, claim 35 has been indicated as being "objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims." (June 30, 2005 Office Action at 6). Applicants have amended independent claim 32 to incorporate all limitations of claim 35, as directed by the last Office Action, and claim 32 is now in condition for allowance.

A Notice of Allowance for all pending claims is solicited.
